

# Borovo-Gumitrade

**BOROVO-GUMITRADE Ltd.** manufactures: rubber composites, rubber and buckram footwear, motor, industrial and agricultural engine belts, **special purposes products**, shoemaking tools and glues, and other rubber-technical goods.

Special purposes products are intended for protection in conditions of increased risk of fire arms attacks or shrapnel - fragments. The construction and elastic fastening system enables adjustment to the user's body, allows free movement during intensive movement; work; use of personal weapons; and driving vehicles (especially during more demanding tasks of emergency police units or security agencies' units and EOD units).

## 1 Ballistic protection – Protective vest against shrapnel/fragments B1

Purpose: Protection from shrapnel of explosive projectile, grenades, split-off projectiles and physical thrusts, primarily during demining

Other than **Protective vest against shrapnel/fragments B1**, our member is also manufacturing the following equipment for special purposes:

- 2 Bullet-proof vests B2, B4, B5, B 6A, B7, B9, B 12 S
- 3 Protective boots Z M-1- RKB - Zaštita
- 4 Protective covers for military footwear - RKB - Zaštita
- 5 Protective isolating suit OZI M-2 - RKB Zaštita
